Subject: TEMPORARY SUSPENSION OF TEACHING AND LEARNING FOR SEMESTER ONE OF THE 2025/2026 ACADEMIC YEAR

The Senate, in its 83rd Regular meeting held on Monday 3rd November 2025, observed that there has been slow uptake of teaching and learning occasioned by the ongoing industrial action and therefore, the Senate resolved to temporarily suspend teaching and learning for semester one of the 2025/2026 academic year with immediate effect.

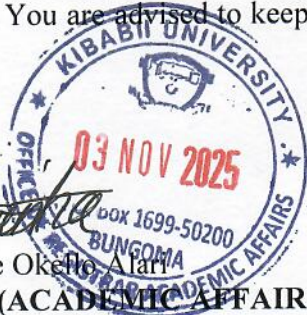

All students **EXCEPT** those in Technical, Vocational and Educational Training (TVET) and School of Nursing Year Four (4) are directed to vacate the University premises by Tuesday, 4th November 2025 at 12:00 noon.

The University Senate and Management appreciate all students for their understanding and cooperation over this period of disruption. Further update on the resumption date will be communicated. You are advised to keep updated through the University website and the Student Portal.

Thank you.
