Business & Security Management Skills: I possess very good business and Security skills acquired from my experience and courses undertaken. This knowledge was enhanced by my on-job training with Kenya Police Service, Kenya Airways, and currently Kibabii University where I am exposed to new techniques/methodologies of developing, managing Security matters.

Packages: Ms Word processing, Ms Excel Spread sheet.

Operating System: Windows platform.

Application Tools: Weapons, CCTV cameras, Walk-talk through machines, Walkie-talkie radios, Mobile phones, Cameras, Bionoculous Etc.

Approach: I possess sound and in-depth understanding of Backup procedures and ICT security (Disaster Recovery Techniques).

Communication: I am a fluent and confident public speaker. This was developed from my duties at the above work places where I was required to make presentations / opinion pertaining to the project work and Security issues in general.

Leadership: At the above mentioned work places, I was always invited to attend meetings to discuss failures/success of the security and related areas and finding the way forward in the planning/implementation of the proposals.

Flexibility: My approach to work is flexible, quality developed over the years from my experience and exposure. I can work at odd hours if need necessities. I have been acknowledged for my commitment and dedication to work.

Commitment: I have demonstrable commitment to my personal and professional development, having undertaken a range of activities and courses while on job to improve my capabilities.

Interest: I enjoy travelling, reading journals and magazines, watching documentaries, keeping abreast with the dynamic Security issues in the world through browsing the internet.

Equal Opportunity: I fully appreciate the importance of valuing and respecting individuals and diverse cultures, and in particular the importance of not discriminating on the basis of race, tribe, gender, disability, religion or sexual orientation.
