RE: PRIVATELY SPONSORED STUDENTS WHO HAVE NOT YET REGISTERED FOR THE FIRST SEMESTER – 2020/2021 ACADEMIC YEAR

The above subject refers.

Attached please find a list of Privately Sponsored Students who were admitted for the January 2020 and May 2020 Intake but whose reporting to the University was deferred to the September 2020 intake due to quorum or the COVID 19 restrictions.

This is to inform these New Students that **Reporting and Registration** for the 2020/2021 academic year First Semester is now on going. We advise these students to complete the procedure for registration under Quick Links First Years 2020 on the University website www.kibu.ac.ke to join the first year fresh students' virtual lectures. Reporting and registration should done before expiry of the 20% rule period to avoid deferring studies to the next academic year in September 2021

For assistance please contact the undersigned on Telephone: 0701853387 or Email: admissions@kibu.ac.ke.
