Subject: REVIEW OF COVID-19 CONTAINMENT MEASURES

Reference is made to the newly released Kenya Gazette Notice No. 117 and Ministry of Health Circular on review of COVID-19 Containment measures following the surge of infections in thirteen (13) Counties including Bungoma.

Pursuant to this Gazette Notice and Circular you are advised as follows:

- i. In reference to the communication dated 5th May 2021, Ref. KIBU/VC/CORR.3/VOL.2 - 2014, all students will remain on campus to continue with their classes through the Blended Mode of Learning;
- ii. Holding face to face classes on campus will risk disruption of the academic calendar including the forthcoming exams in July and the 6th Graduation Ceremony in December, in case any infection is reported on campus. Lecturers holding face to face classes are doing so against Senate's decision and are therefore asked to stop henceforth;
- iii. Students should be at their places of residence by 7:00 pm to avoid clashing with the security personnel;
- iv. Staff and students should strictly adhere to the COVID-19 health protocols.

Thank you.
