Office of the Registrar Academic Affairs

INTERNAL MEMO

FROM: Registrar (AA)

DATE: 2nd December 2021

TO: ALL Second Year Students

REF: KIBU/ACA/CORR.21/Vol.5

Subject: UNPROCEDURAL PROGRESSION

The above subject refers.

A spot check in the ERP System has shown that some students self-progressed to their 2nd year of study without fulfilling all the requirements in their 1st year as per regulation.

This is to inform the said students that this is unprocedural and contrary to the KIBU Policy and Commission for University Education (CUE) requirements. Please be informed that such reporting and unit registration is null and void and may attract disciplinary action.

Consequently, those involved will have their registration nullified and deferred to the 2022/2023 Academic Year once they clear all pending examination issues.
