SUBJECT: COVID -19 VACCINATION FOR STUDENTS

The Health Department in partnership with the Kanduyi Subcounty Public Health office has organized for Covid-19 vaccination within the University campus. This is part of the Ministry of Health 10- day intense covid-19 vaccination campaign. This will be carried out on **Thursday 28th July, 2022 and Friday 29th July, 2022 from 9.00 am to 4.00 pm.**

The vaccination exercise will target all students who are above 15 years old and will cover those requiring 1st, 2nd or booster doses.

Kindly note the following concerning booster doses;

4. Those who received the Johnson and Johnson covid 19 vaccine are eligible for booster after 2-6 months of the last injection.
5. Those who received all other covid 19 vaccines are eligible for booster after 6 months of the last injection.
6. Those who have received the first booster dose are eligible for second booster after 6 months.

You are encourage to take advantage of this exercise and get vaccinated against covid 19 as we continue to observe other covid 19 precautions within the University.

Thank you.
