

KIBABII UNIVERSITY

6TH BI-ANNUAL VIRTUAL INTERNATIONAL CONFERENCE

DATES: 14TH - 15TH JUNE, 2023

CALL FOR ABSTRACTS

BACKGROUND

The growing demand on academia to amplify Research and Development (R&D) outputs, generate impact, and contribute to the nation's economic and social development goals has continuously pushed for an increasing need for academic institutions and industry to foster sustainable strategic partnerships for the achievement of Global Sustainable Development Goals. This Conference is therefore planned to address issues on the achievement of Global Sustainable Development Goals, Africa's Agenda 2063, Kenya's Vision 2030 and Big 6 National Agenda namely; Manufacturing, Food Security, Universal Health Care, Affordable Housing, ICT and Blue Economy.

THEME: "Harnessing Science, Technology and Innovation (STI) to Mitigate Global Challenges for Sustainable Development."

CONFERENCE OBJECTIVE: To provide a forum for academicians, researchers, entrepreneurs, students, and other stakeholders to present their research and expert opinions on STI and emerging global challenges in order to drive national, regional and global agenda on sustainable development.
