

NOTICE FOR FORMATION OF A STEM CLUB

The Centre of Science, Technology and Mathematics Education (COSTEM) invites you to join the Kibabii University STEM Club. We are seeking individuals who are enrolled in STEM-oriented programs and are passionate about science, technology and mathematics education (STEM). We invite you to become part of the Kibabii University STEM Club. The Kibabii University STEM Club is a dynamic and inclusive community of students and faculty dedicated to promoting STEM education in our university and the local community. We are looking for enthusiastic students like you to embark on an exciting STEM journey.

Why Join the Kibabii University STEM Club?

1. **Unlock your potential:** Develop your knowledge, skills passion for Science, Technology and Mathematics Education in a supportive and collaborative environment.
2. **Hands-on experience:** Engage in exciting hands-on projects, experiments, and activities that bring STEM concepts to life.
3. **Networking Opportunities:** Connect with like-minded students and STEM professionals, both within and outside the university.
4. **Community Impact:** Make a difference by sharing your STEM knowledge and skills with local schools and communities through outreach programs.
5. **Career Advancement:** Gain insights into STEM career paths and receive mentorship from experienced professionals.
6. **Innovation and Creativity:** Showcase your creativity and problem-solving skills through STEM challenges and projects.

If you are a First Year enrolled in a STEM-oriented program and you are interested in joining the Kibabii University STEM Club, click here <https://forms.gle/YypyLshD4UW3moPZA> and register. Our registration closes on **Friday 10th November 2023**.

We look forward to having you as part of our STEM journey!
